TRY THIS TWIST

 'Bang on trend and surprisingly versatile, a shot of pastel pistachio is an easy way to add interest to a minimalist room - not just country-style schemes. Balance cool hues with more intense shades, such as red and orange, for a punchy, tropical-inspired look. When combined with this vibrant palette, natural wood acts as a neutral, helping to restore some calm. Complete the look with brass accessories for instant opulence.'

JESSICA TAVERNER, STYLE EDITOR
